Participation in the networking meeting for international youth exchange is free of charge, as the events are funded with public funds. Please be aware that there is a cancellation fee though, see 3 for details.

3. Withdrawal from the event

Withdrawal must be made in writing. If it is not possible to attend the booked course, the cancellation must be communicated as soon as possible to pia.paulsteiner@alpenverein.de.

If you cancel up to 30 days before the start of the event, processing costs of €25 will be due. If you cancel 29 days or more before the start of the course, we charge a cancellation fee of €50.

4. Accident insurance

All course participants are insured against accidents for the duration of the course.

According to legal regulations, people who are in need of long-term care cannot be insured under a group accident insurance policy. Since we as the organizer

cannot check whether these requirements are met in individual cases, we recommend that you take out appropriate accident insurance yourself if necessary.

The DAV is liable for personal injury and property damage at events within the scope of statutory liability if they are due to the fault of the organizer or a person entrusted with the management. The organizer is not liable for financial loss unless the damage is due to an intentional or grossly negligent breach of contract by the organizer or a legal representative or vicarious agent of the organizer.

Otherwise, participation in the networking meeting is at your own risk.

5. Information letter

Two to three weeks before the event begins, participants will receive the event circular with a list of participants and further information on the process.
